*How God Chooses*

**A WARM WELCOME** is extended to all who worship with us! “God is calling Killarney Park MB Church to be a Christ-centered, Spirit-filled people who embrace the City’s multicultural identity by *welcoming* and *caring* for all people. Through Biblical teaching, service and worship, we *celebrate* our gifts and talents in our desire to impact the City with righteous living and God’s message of hope.”

*Meditation:*

But you are a chosen people, a royal priesthood, a holy nation, God’s special possession, that you may declare the praises of him who called you out of darkness into his wonderful light. Once you were not a people, but now you are the people of God; once you had not received mercy, but now you have received mercy.

**1 Peter 2:9-10 (NIV)**

## Community Refugee Dinners and Beyond this Summer

Sign up for weekly Wednesday dinner and details: [www.tenth.ca/communitydinner](http://www.tenth.ca/communitydinner)

Opportunities to share fun and time with refugee claimants this summer - Please consider and let us know if you would like to participate.

- **Community dinner co-ordination:** Each Wednesday night we host an outdoor dinner with purchased meals at Burnaby Civic Centre park. We are looking for several volunteers to help with some of the food ordering or pick up, or arranging the picnic area with the current Covid precaution measures (spacing out seating, providing hand sanitizer). If we have a team then we can take turns and not do each week.

- **Attending Community dinner:** Enjoy a free picnic (Wednesdays, see above) and get to know some wonderful newcomers who are keen to find community and friendship. We can pray for our new friends and see how the Lord leads and grows Shalom and connections. Sign up with the evite so the right amount of food is ordered.

- **Community clubs:** We also are encouraging volunteers to meet regularly with refugees in small groups to do an activity. We're looking for leaders to partner with a refugee claimant to host a series of activities such as hikes, biking, photography, beach walks, sports, swimming, art, book club ... anything you enjoy doing and can share the enjoyment with others. It would be great if these activities happened regularly-- every week or every 2 weeks for up to 8 sessions, so that you could get to know the participants well. The communication around these activities would happen on the WhatsApp group chat that most of the refugee friends use. You can join the WhatsApp group or let us know, and she can put it on WhatsApp.

- **Other activities:** You could host a one-time event such as berry picking or exploring a part of Vancouver. Communication would also be through the WhatsApp group. Let us know you are able to share an activity and us will find the refugee friends!

There is some grant money to help with costs. (Of the refugee's part, not the whole group's costs.)

## Amazing Greys

AMAZING GREYS are planning a picnic at the Fraser Foreshore Park (Burnaby) on Thursday, August 5th, at 5 p.m. Put it on your calendar and we'll see you there! More information will come as we get closer to the day.

## My Coins Count

Every year, coins donated to MCC through our My Coins Count fundraiser are used to fund food and agriculture projects, impacting thousands of people across the world.

My Coins Count (formerly Penny Power) has been running in BC since

1999. Each year, MCC BC selects a project to receive the funds collected through the program. Through a partnership with Canadian Foodgrains Bank, these funds are matched by the Government of Canada – anywhere from two to ten times the amount, depending on the project.

For this fundraiser you can drop off your spare change at the office, or include donations towards my coins count through e-transfer or cheque specifying the amount you wish to contribute to My Coins Count.
