*Meditation:*

### **Jesus Predicts Peter’s Denial**

<sup>31</sup> When he was gone, Jesus said, “Now the Son of Man is glorified and God is glorified in him. <sup>32</sup> If God is glorified in him,<sup>[a]</sup> God will glorify the Son in himself, and will glorify him at once. <sup>33</sup> “My children, I will be with you only a little longer. You will look for me, and just as I told the Jews, so I tell you now: Where I am going, you cannot come.

<sup>34</sup> “A new command I give you: Love one another. As I have loved you, so you must love one another. <sup>35</sup> By this everyone will know that you are my disciples, if you love one another.”

**John 13:31-35 (NIV)**

## Place of Refuge Representative

Many thanks to our member who has served on the Place of Refuge board until last summer. We are currently looking for someone to represent Killarney on the Place of Refuge board as one of three churches supporting this ministry. Place of Refuge provides a "transitional living program for people recovering from alcohol and drug addictions" (<https://placeofrefuge.ca/>). The ideal candidate is passionate for this type of ministry, and has expertise in one or more of the following areas: administration, fundraising, planning, board practices. Meetings of the POR board are every 2nd month via Zoom. If interested, please contact the office.

## Newcomer House Thank-You

Thank-you everyone for your prayerful support of the Newcomers' House. The Newcomers' House has been used to support refugee families when they first arrive in Canada. The most recent family has been successfully "launched"! At the beginning of May, the couple and their 2 children moved to their own apartment in Surrey and sent the following message of appreciation. We will have a new refugee family from Afghanistan move in at the end of May, God willing.

*Hello to all, I hope you are doing well.*

*I'm delighted to inform you that we have been settled in our new apartment. A new chapter has begun to our life here in . We want to express our deep thanks to Killarney Church and its volunteers and partners. You have been assisting us in the most challenging part of our immigration journey.*

*I'll be happy to be a member of community and I hope one day I'll be able to assist with newcomers in need.*

*God bless you all.*

*Truly yours,*

## Fundraiser

June is the scleroderma awareness month. It has been a very challenging year and full of ups and downs for us. Our member did the stem cell transplant last year and tried to stop the scleroderma progressing. Unfortunately, this terrible disease flared up and caused her kidney failure last month. Now she is on dialysis 4 times a week and we are hoping her kidneys will wakeup some day. We will join the 2022 BC annual Scleroderma Ride for Research fundraising on June 19th after her dialysis that day. She will try to walk 1km if possible or just walk around. Please support her in fighting scleroderma together! All the funds raised will go to supporting Scleroderma research in BC and across Canada.

If you would like to support us, please use the her page link below:

Thank you for your generous support!

The UEL's public consultation period will run from mid-May through mid-June, so we want to inform you about what we're proposing and how you can help.
