### **Tremble at the Presence of the Lord**

114 When Israel went out from Egypt,  
the house of Jacob from a people of strange  
language,

<sup>2</sup> Judah became his sanctuary,  
Israel his dominion.

<sup>3</sup> The sea looked and fled;  
Jordan turned back.

<sup>4</sup> The mountains skipped like rams,  
the hills like lambs.

<sup>5</sup> What ails you, O sea, that you flee?  
O Jordan, that you turn back?

<sup>6</sup> O mountains, that you skip like rams?  
O hills, like lambs?

<sup>7</sup> Tremble, O earth, at the presence of the Lord,  
at the presence of the God of Jacob,

<sup>8</sup> who turns the rock into a pool of water,  
the flint into a spring of water.

Psalm 114

## Mennonite Connections & Beyond

### Multiply Journeying with the J & Js

Hello friends and family!

We want to thank the Lord for each of you and for all the support you give us. Supporting us with prayer, finances, words of encouragement, and sharing our journey with others, is what allows us to continue on with this ministry, and we never forget that. We lift our hands up to each and everyone one of you.

This summer was busy and full of ministry opportunities. We kicked our summer off by going to a family camp with [Inner Hope Youth Ministries](#). In June we were invited to be part of Inner Hopes grad ceremony. Celebrating these youth, (many whom have overcome several big challenges on the road to graduation) with a blanketing ceremony. Being blanketed in this way, is one of the highest honors.

There were many camping trips this summer with youth and young adults who were excited, (or not so excited) to get away from the city and enjoy the outdoors with fishing, swimming, paddle boarding and playing games.

We were invited to celebrate Cheam Days with the Cheam community. There was lots of food, ponies, a bouncy castle, bingo, and much more for everyone to enjoy.

In August J had the opportunity to travel to Brazil with others who are from Multiply's First Nations team., to meet with some of the Indigenous people of the Amazon. J will be sending out a video to talk first hand about his experience there.

Answered Prayers:

- Invites back into communities. We have been invited to several different communities this summer to serve, play, and to pray.
- Meeting several times a week with others for Bible study and prayer.
- Indigenous to Indigenous prayer and ministry
- Mental health in family is still mostly stable.

Prayer Needs:

- Please pray for continuing growth for our Faith circle/ Bible study - growth spiritually and more participants.
- Please continue to pray with us for mental health for those we journey with and our family.
- Please continue to pray with us for our new home
- Please continue to pray with us that we will reach full financial support so we can continue this journey of reconciliation and hope.

**Please pray and consider if you feel led to support us financially, or with more intimate prayer. For financial support please find us at [Multiply](#) We also have a What's App? group for more personal prayer requests. If you have questions about either, please contact us at [the email available from the church office](#)**

**Blessings**
