

April 1<sup>st</sup>, 2020

On behalf of the board, I am pleased to announce the following members of our Killarney Park faith family have accepted the invitation from the board to serve on the pastoral search committee (PSC):

Jack Jia

Clarence Martens

Iain Copland

Mia McKay

Karen Janes

Louie VinLuan

As a board, it was our desire to have participants in the PSC be able to represent the diversity in our congregation, to guide the process from end to end and listen to the Spirit's leading. And we think this group of individuals is well positioned to do this.

Jack and Clarence were part of the previous PSC when we selected Dave as senior pastor back in 2009. Karen will be the board representative in order to keep the board updated. The PSC will be equipped with resources from the past PSC as well as updated guides from BC & Manitoba MB conferences.

The selection of our next permanent pastor may take some time. It will likely not be until the end of April when we hear the first update from them after roles and protocols for the process have been ironed out. In the meantime, the board will investigate selection of a transitional pastor to serve after Dave's departure.

Please join me in thanking our PSC members for stepping up to the task and pray that God would guide them.

Chris Hall
